Information about the town and/or neighborhood	<p>Torremolinos is a municipality on the <i>Costa del Sol</i> of the Mediterranean, immediately to the west of the city of Málaga (13 km), in Andalusia, in southern Spain. It has about 70.000 inhabitants, making it the sixth largest city in the province. The township has an area of 20 km² (7.7 sq mi).</p> <p>It is particularly popular with British, Irish and Scandinavian tourists and has a large British expatriate population.</p> <p>As the name Coast of the Sun implies, Torremolinos enjoys one of the best climates in Europe. It has long, dry summers with relatively low humidity, and mild winters with occasional, though heavy, rainfall. The town benefits in the summer from cool sea breezes predominantly coming from Africa, although this does mean a fair amount of Sahara dust. Temperatures normally hover around 30 °C (86 °F) in the summer and 17–19 °C (63–66 °F) in the winter.</p>
